⚠ WARNING

Read and understand all of the instructions and safety information in this bulletin before operating or servicing this tool. Refer also to the instruction manuals for your saw.

Failure to observe this warning could result in severe injury or death.

⚠ WARNING

Wear eye protection when operating or servicing this tool.

Failure to wear eye protection could result in serious eye injury from flying debris or hydraulic oil.

5. Remove the retaining ring (4) and trigger pivot pin (6), which secures the trigger interlock assembly. Remove and discard the trigger assembly, trigger pivot pin, and retaining rings.
6. Assemble the new trigger interlock assembly to the tool in reverse order from step 5 above.

Kit Instructions

1. Position the trigger (1) and safety latch (3) as shown.
2. Slide the pin (2) half way through the trigger (1) and safety latch (3).
3. Position the torsion spring (5) as shown and slide the pin (2) completely through the trigger (1).
4. Assemble two retaining rings (4) onto the pin (2) in the grooves provided.
