

# SERVICE DATA SHEET

## **52061455** **Packing Kit for HW1**

**Read and understand** all of the instructions and safety information in this manual before operating or servicing this tool.

Register this product at [www.greenlee.com](http://www.greenlee.com)

## O-Ring Identification

\*50415033 O-ring is marked with blue indicator for differentiation.

Apply lubricant to all packing kit components and to all metal surfaces over which components must slide. It is advisable to cover threads and sharp edges with cellophane tape or other suitable thin material prior to installing packing kit components. Remove tape after packing kit components are installed.

Refer to the illustration on the next page for location of packing kit components. Also refer to "O-Ring Identification" above.
